

## About me

I am a front-end developer focused on creating SPA using React (TS / JS). I devote my free time to solving exercises Codewars and improving my skills in front-end development. I would like to find a project job and a team in which I can improve my professional level. I am ready to consider your proposals!

## Skills

- React
- Redux/Redux-Thunk / Redux-Toolkit
- TypeScript/JavaScript
- Axios/REST API
- Material-UI/Ant-design
